

YEAR 6 JAGUAR CLASS

Autumn 1 2025

What we will be learning

Curriculum

This is our first term in Year 6 where we will be learning about a range of exciting topics.

Please follow the link provided to view our current curriculum in full details. We will be exploring civil rights both in the UK and abroad. Along with a focus on photography in art and investigating the topic of Light in Science.

We will be excited to introduce our new Head Boy and Head Girl this term, along with our prefect roles. These are opportunities for the children to show their maturity and responsibility.

We hope the children settle quickly into Year 6, and continue to make progress in all learning throughout the year.
