Dear Parents/Carers,

We have a wonderfully exciting week ahead at Chattenden Primary School! On **Thursday 2nd October**, all children will be taking part in a range of inspiring workshops. We are delighted to welcome the brilliant Don Rae, who will be leading each class in a dance session exploring the theme of community and belonging. On the same day, we will also be launching our brand-new Fitness Bounce Club. Children will have the chance to enjoy a free Bounce fitness session with Miss Jarrett, combining energy, exercise and fun. It promises to be a fantastic day full of creativity, movement and celebration, as our children experience The Arts through fun and fitness. We cannot wait!

We will also be at The Strand on Sunday 5<sup>th</sup> October for Junior Parkrun, we hope to see you there!

## Pupil Leadership Teams

You may have seen on our Instagram page; Pupil Leadership Teams have now been established across the school. We would like to congratulate all pupils who have been elected this academic year.

A huge well done to our Year 6 pupils who were brave enough to deliver speeches to the whole school last week in their bid to be elected Head Boy, Head Girl and Prefects. You were all brilliant! We know you will be fantastic role models for our school.

## Parking

For the safety of all our children, we kindly ask parents and carers to park sensibly and considerately outside school. Please do not stop or park on the zig-zag lines, double yellow lines, or across the school crossing.

These restrictions are in place to keep sight lines clear and ensure every child can arrive and leave school safely. By following them, you are helping to protect our pupils and support a safe environment for everyone.

Thank you for your cooperation and for putting the safety of our children first.

## School Uniform

Wonderfully Made in Medway is a school uniform ministry which provides free school uniform to help children of local families experiencing financial hardship.

If you need support or feel you can donate, please see the link below:
